Indoco Remedies Limited

Mumbai: Indoco Remedies Limited has announced that it has received the Establishment Inspection Report (EIR) from the United States Food and Drug

Administration (USFDA) for its Active Pharmaceutical Ingredients (API) manufacturing facility located at Patalganga.

This follows a successful Inspection of the said facility from 15th September, 2025 to 19th September, 2025.

Aditi Panandikar, Managing Director, Indoco said, “We are pleased to have received the EIR from the USFDA for our API manufacturing facility located at Patalganga. This further reinforces our commitment to upholding the highest standards of quality and compliance, delivering trusted healthcare solutions to patients worldwide.”

Indoco is a fully integrated, research-oriented pharmaceutical company with a strong global presence. The Company’s turnover is US\$ 180 million with a human capital of over 6000 employees
