Thursday, May 14, 2026, 14:15 Hrs [IST]

Indoco Remedies Ltd., a fully integrated, research-oriented pharmaceutical company, has announced that the Malta Medicines Authority had inspected the company's manufacturing facility for solid oral dosage form (Unit I) located at Baddi from January 29, 2026, to February 3, 2026.

The facility has received EU GMP certification from the Malta Medicines Authority confirming that it complies with the Good Manufacturing Practice requirements as referred in the EC Directive.

Commenting on this development, Aditi Panandikar, managing director – Indoco Remedies Ltd. said, “This approval from the Malta Medicine Authority further reflects Indoco's strong commitment to quality, compliance and adherence to global regulatory standards. We are focused on maintaining the highest quality standards while catering to our customers in India and globally.”

Indoco is a fully integrated, research-oriented pharmaceutical company with a strong global presence. The company's turnover is US\$ 175 million with human capital of over 6000 employees, including over 300 skilled scientists and field staff who are the strength of the organization.
