## **Indoco Remedies subsidiary launches generic drug in UK**

NEW DELHI: (Jun 3) Indoco Remedies on Tuesday said its subsidiary has launched a generic medication to reduce the chances of heart attack in the UK.

Indoco Remedies UK Ltd has launched Ticagrelor film-coated tablets 90mg in the UK, the Mumbai-based drug maker said in a regulatory filing.

This significant addition to the company's portfolio will be marketed and distributed by Clarity Pharma across the UK, it added.
