Indoco Remedies Subsidiary Launches Generic Heart Drug in UK

Indoco Remedies announced on Tuesday that its subsidiary, Indoco Remedies UK Ltd, has launched a generic version of a heart medication in the United Kingdom.

The company has introduced Ticagrelor 90mg film-coated tablets, aimed at reducing the risk of heart attacks, it said in a regulatory filing.

This key addition to Indoco's product portfolio will be marketed and distributed across the UK by Clarity Pharma, the company added.
